

PEEL

PURT NY-HINSHEY

Directions from Douglas:

Coming along the main road across the Island, through St John's, as you come into Peel you will pass the QEII School on your right; the house is about half a mile from here; turn right onto Albany Road. Towards the end of the road on your right you will see a terrace of red brick Victorian three storey town houses. Albany House, No. 9, is the last of the terrace, opposite the telephone exchange. Reserved parking is available by turning left at the end of Albany Road and then first left again. Our two spaces are at the top of the car park opposite the house. You will require a parking permit which we can give you on arrival.
